The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational meeting will be held Wednesday, January 28, 2004 in Lancaster to discuss the planned rehabilitation of a 1.3-mile section of US Route 2.

This US Route 2 project begins at the intersection with US Route 3 and proceeds east to the Cabot Motel. The roadway will be widened to provide 11-foot travel lanes and four-foot paved shoulders in each direction. Also included will be curbing and a sidewalk.

The January 28 public meeting to display the proposed improvements and to obtain input will be held at the Lancaster Town Hall, 25 Main Street, Lancaster, New Hampshire. It will begin at 7:00 PM and be followed by a question and comment period.
